이런, 불쌍한 바바브라이트! 기계에 너무 가까이 다가갔나 봐요.
기계에 빨려 들어가서 바바브라이트의 등에 그림이 인쇄됐어요.
그 모습에 바바리브와 바바보가 웃음을 터뜨립니다.
하지만, 기계 근처에서는 항상 조심해야 해요.

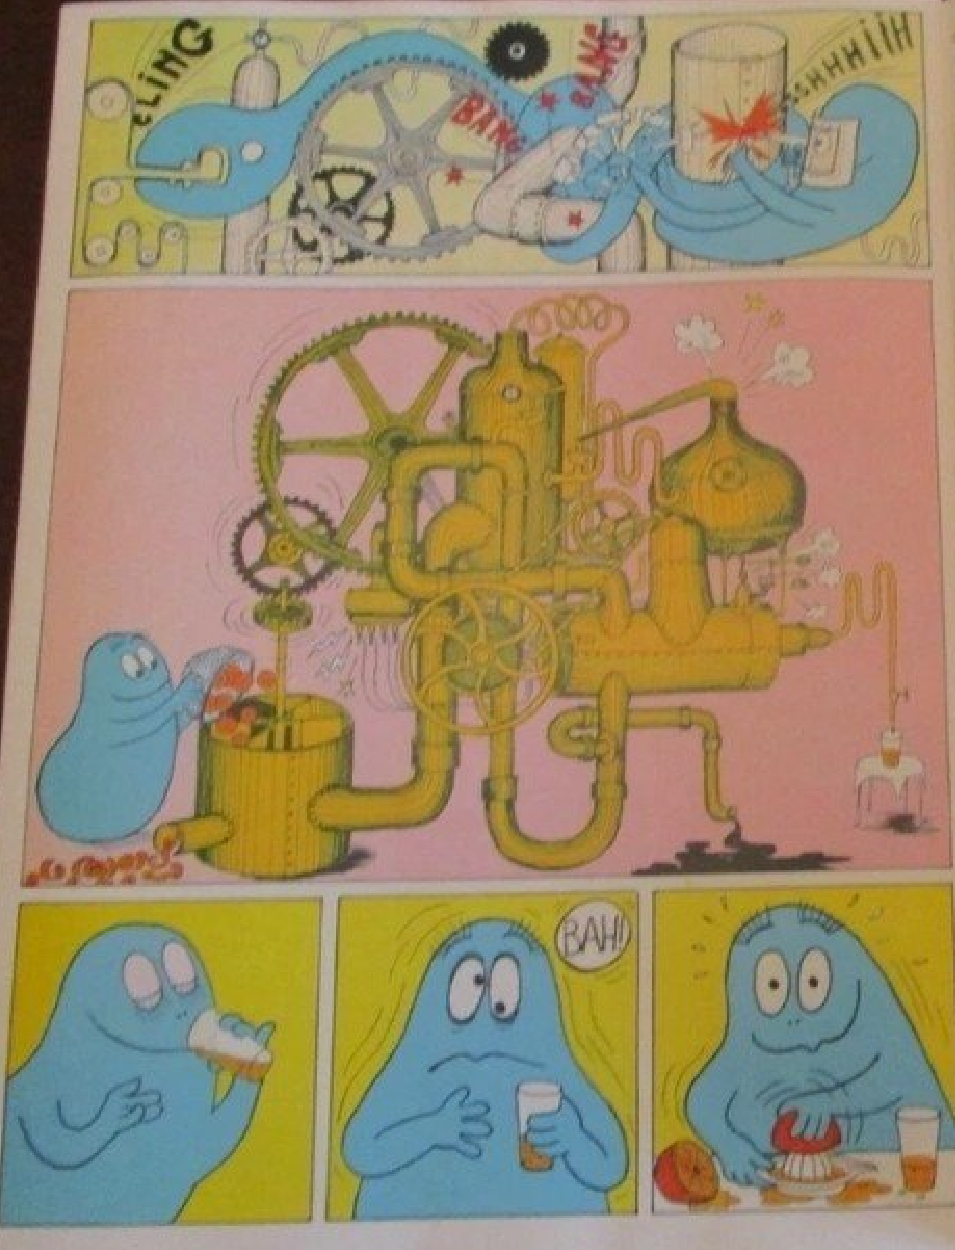
BONNE ANNÉE



BARBOROSCOPO

UN SEGNO AL MESE

SCORPIONE

24 ottobre - 22 novembre

Straordinario è il fascino
del nostro scorpioncino,
che in ogni azione ha l'impeto
di un bravo soldatino.
Ha un cuor molto sensibile
ed un aspetto fiero,
e bello è il suo carattere
amabile e sincero.
Se al volte sembra timido,
più spesso è assai vivace,
e a tutti, grandi e piccoli,
essergli amico piace.
Quanto ai difetti, è logico,
ne ha finché vi pare,
ma, ve l'ho detto, ha fascino
per farsi perdonare!

PREVISIONI... SEGNO PER SEGNO

ARIETE dal 21 marzo al 20 aprile	Dona novembre non nebbie e castagne e una visione di spoglie campagne ma tra le foglie sui pini adagiate molte sorprese per te son celate.
TORO dal 21 aprile al 20 maggio	Le sere imbruniscono quiete ed ascolta sulle giornate, da tempo più corte, ma l' ventiquattro, le stelle lo sanno, sarà un gran giorno, il più lungo dell'anno!
GEMELLI dal 21 maggio al 21 giugno	Non ci scommetto, perché non è il caso, sono indovina e possiedo un gran naso, perciò le belle notizie in arrivo, sei gran mistero le... annuso e le scrivo!
CANCRO dal 22 giugno al 22 luglio	Nel tuo sorriso, ben due finestrelle ne svelan cose assai tenere e belle: che sei cresciuto... che sei un bravo ometto per questo aspettati un dono di effetto!
LEONE dal 23 luglio al 23 agosto	Una bambina dagli occhi assai belli e un nastro azzurro nei biondi capelli sta per svelarti i suoi cari segreti con dolci sguardi e sorrisi discreti.
VERGINE dal 24 agosto al 23 settembre	Se il tuo telefono squilla di sera, parla per primo con gioia sincera, poiché soltanto per te va nell'aria quella notizia così straordinaria!
BILANCIA dal 24 settembre al 23 ottobre	Oggi o domani, ma no, cosa dico?, a fine mese, carissimo amico, prevedo in casa un allegro trambusto per un arrivo che so di tuo gusto.
SCORPIONE dal 24 ottobre al 22 novembre	Per tutti vedo bei giorni splendenti, pieni di gioie e bellissimi eventi. Per te del segno, invece, è fatale, quasi ogni giorno sarà eccezionale.
SAGITTARIO dal 23 novembre al 23 dicembre	C'è solo un giorno di festa, ma è bello scambiare auguri con questo e con quello, e immaginare una stretta di mano con quell'amico ch'è andato lontano.
CAPRICORNO dal 24 dicembre al 20 gennaio	Se un po' di pioggia ti chiama alla mente la nostalgia di un bel sole lucente, pensa a quel sole che scalda ogni cuore di babbo e mamma il grandissimo amore.
ACQUARIO dal 21 gennaio al 19 febbraio	Pensa agli amici che hai, e son tanti! Pensa un pochino anche ai bravi insegnanti che danno tanto, ed aspettano il segno che sei cresciuto in bravura ed impegno!
PESCI dal 20 febbraio al 20 marzo	Così è novembre, da te poco amato, che pure ha un lato da tutti apprezzato! Come, non sai che novembre è speciale perché è parente del dolce Natale?
